Just Another Catalog

Let's Tell You Why?

This is a Swiftly Moving Age!

Building and The Lumber Trade

Have Undergone a Series of Changes

. . . Revolutionary Almost in Their Effect!

It's a Known Fact:

. . . even the most conservative of the "old school type" of dealers are admitting that it's no longer possible for a lumber dealer to be located in some out of the way corner of the town . . . there *to wait for someone to come and ask for* (actually take away) *a few 2 x 4's, a little rough lumber or a few clapboards.*

Today . . . The Successful Lumber Yard . . . **IS . . .**

IN DAYS GONE BY . . . the old style, "makeshift" type of China Closet, served the purpose. These Cabinets were awkwardly put together and built-on-the-job . . . at a price that was never accurately known. The carpenter sawed and fitted and "fussed around" for days with a set of stock casings and jambs, a pair of china closet doors, a drawer case, and a few counter shelves . . . until some sort of a china closet was finally assembled —

But Today . . . In the Modern Home . . . You Will Find

The New and Improved Type of "ANGEL" Colonial China Closets

Twelve Beautifully Designed Doors are Interchangeable in the various Cabinets

(shown on the following pages)

These various new styles and improved type of CHARMINGLY DESIGNED COLONIAL CHINA CLOSETS give to the home owner of today . . AN ARTISTICALLY DESIGNED, SOUNDLY CONSTRUCTED, FINELY FINISHED CABINET that affords greater convenience and comfort for the housewife and adds another piece of distinctive furniture to the home that is easily and inexpensively installed by the builder.

Volume production and modern manufacturing methods make it possible for us to combine these many points of superiority in this distinctive line of China Closets . . . at a moderate cost.

Two different types of Cabinets are offered on the following pages:

First — THE SQUARE TYPE WHICH MAY BE INSTALLED INTO THE WALL OF A ROOM WHERE DEPTH PERMITS.

Second—THE CORNER TYPE WHICH IS DESIGNED TO FIT IN THE CORNER OF A ROOM.

The accompanying illustrations, descriptions, and diagrams give complete information about this popular line of Cabinets.

No. 575 Without casings and door hardware
Rough Wall Opening, 14" wide. 5' 4" high, 4" deep.

All Nickel Plated Metal Working Parts Insure Lasting Beauty and Service

Design and Construction:

Both Main and Sleeve Board are fitted into the back board in such a manner that when pulled down into working position, they fit in under the backboard, rendering them absolutely rigid.

The Main Board has a surface 4' long by 11½" wide and 1¼" thick. (Ordinary Ironing Boards are only ¾" thick) supported by Nickel Plated Metal Braces, also Long Continuous Nickel Plated Hinges (similar to those used on Pianos.)

The Sleeve Board has the same rigid construction.

Operation:

A Nickel Plated Handle enables anyone to pull the Main Board from the cabinet very easily. Automatic Lock Spring holds the Main and Sleeve Boards in cabinet when not in use. A person may safely work on Main Board without fear of Sleeve Board falling out.

THE "ANGEL" MILK SAFE AND PACKAGE CONTAINER

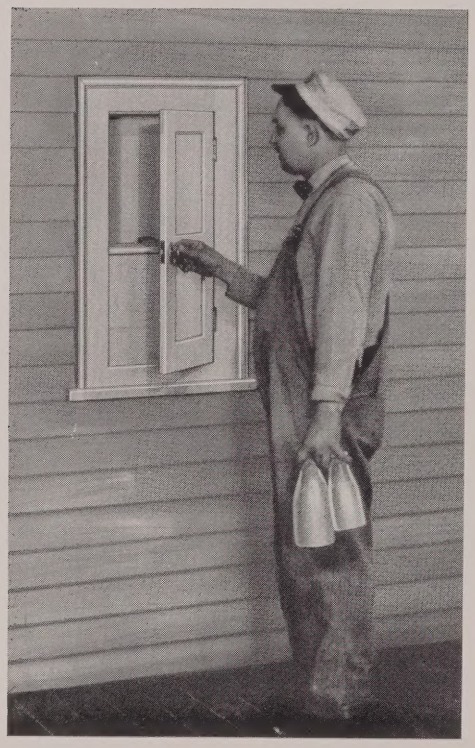
(PATENT PENDING)

No. 22

This New Convenient, Sanitary Delivery Cabinet

. . . should be in every home!

Figure 1



A DOOR IS PROVIDED opening on the outside of the house (Fig. 1) through which access is gained to the door covering the "Receiving Compartment" (Fig. 2), into which milk bottles (or other packages) can be deposited from the outside by the delivery man and this door is then automatically locked by simply closing it . . . and cannot again be opened from the outside.

FROM AN INTERIOR DOOR on the inside wall of the house, the housewife may remove the full milk bottles and replace empty ones (Fig. 3) and the safety lock provides that the compartment door will be automatically left unlatched as soon as the inside door is opened. . . and will be left in that condition even after the inside door is closed (Fig. 4) . . so that it's all ready again to receive deliveries.

A Complete Unit

. . . Furnished All Set Up With Casings and All Hardware.

Easily, Quickly, and Inexpensively Installed In Any House (Old or New).

Costs but Little . . . Adds Tremendously to the Value of a Home.

FREIGHT RATES on "Angel" Products

These Classifications and Rates have been compiled from reliable rate and classification guides and are assumed to be correct but we do not assume responsibility for errors, etc.

HOW TO USE THESE TABLES:— First find the classification in which the article is listed—then, find the rate for that class to the R. R. center mentioned here that is nearest to your city or town—weights of products will be found on the descriptive page in catalogue for each item—the actual freight charges are then easily figured, based on the rate per 100 lbs.
